

## **Internet & Cable Information**

Below are the requirements for accessing the network provided by Olympus Properties. Please keep in mind the Internet was provided to enable tenants to do general web surfing and emailing. Our basic system is not intended, nor equipped, for heavy music or video downloading, file sharing, etc.

Resident requirements:

- 10/100 Ethernet card or wireless N card where wireless is available and an operating system capable of receiving DHCP lease and supporting TCP/IP
  
- Onsite support is available at an extra charge.

If you would like to upgrade your cable service beyond the classic cable we have provided for the building, you may contact Comcast directly to install/set up billing for the upgrade of service (877) 237-0576 or (800) 266-2278.

If you experience any problems or have any questions about your Internet service, cable, phone or Mircom system (at our Mercury Building), please call our office at (812) 334-8200 and we will direct you from there.
