

Parking Information

- **Garage Parking:** Residents that choose to park in a city garage must register their vehicle through the parking garage manager. The city garages are managed by REI Real Estate Services. The office is located on the lower level of the Register Garage (Garage Market). The entrance/exit to this garage is located on Morton Street, between 6th Street and 7th Street. You may contact REI at (812) 349-3844.
- **On-Street Permit Parking:** Neighborhood parking permits are available from the City of Bloomington Parking Enforcement. You will need to take a copy of your lease to the Parking Enforcement office, fill out an application and pay a fee of \$25/permit. You may contact Parking Enforcement at (812) 349-3436.
- **Olympus Lot Parking:** If you are parking in an Olympus managed lot, you will receive an Olympus parking decal upon move-in.
- **Mercury Residents Move-In Parking:** Mercury residents will not be allowed to bring moving trucks in to the attached parking garage. Moving trucks must park on 6th Street and should not park on Morton Street in front of Relish or the entryway (lobby) of The Mercury.
