

Resident(s):

We have provided a list of the local utility companies for Bloomington. Please review your Lease Summary (page 1 of Lease Agreement) for a list of utilities that are your responsibility.

You must obtain utility accounts in your name before you take possession. The electric will already be on in every apartment and must be transferred from Olympus Properties' name into your name. Failure to do so will result in a \$20 administration fee per month.

We suggest that you contact A T & T and Comcast Cable (if cable is not included in your rent) at least two weeks prior to your move-in date to ensure service the day you move-in or shortly thereafter. Please schedule the installation date on a day in which you can be present for the installation. Our staff is very busy during the move-in season and will not be available to meet the contractor for these installations.
