

DONATION INFORMATION

Please plan your move out so your personal belongings are not left behind. This includes furniture, mattresses, small household items, clothing, food and trash.

Below you will find a list of places to donate any items you are not taking with you. It is best to start thinking now about what items you might be leaving behind. Here is how to begin:

- Take a quick inventory of your space over the next week. Put into a box any small items you aren't using and know you won't take -- shoes, clothes, towels, bags, books, small appliances, knick knacks.
- Identify all larger items you plan to leave behind and start making calls to arrange pick-ups and drop-offs.
